

# JIQIANG PLASTIC

2017 Company Profile:

Jiqiang Plastic Company established in August 2004, we are the PVC material and product supplier and won the approval of government very early. Our company is located in Wujin High-tech Zone ,Changzhou City, Jiangsu Province, which with convenient transportation and beautiful environment. Our factory has been verified by BSCI and Disney. We concentrated on providing high quality PVC products and service for customers. As a mature technology PVC manufacture , under the condition of so many factories around our country, we hold the value of innovative、aggressive、honest、diligence and produce best products. Jiqiang Plastic as a PVC supplier leader on Long Triangle , we start from toys and experienced numerous challenges , at the same time our bussiness expanded to any other regions around the world relying on platforms of internet and ground. At present, we have many fixed customers in jiangsu、zhejiang、Anhui、Beijing and many more provinces.

The major products are gym ball, massage ball, cloud ball, jumping ball, jumping animal and pumps and so on. We have advanced equipment、rich experience and first class technology. We can reserch and develop new product. The bussiness of our company is major in home and abroad. We can process and make as your sample. Under the motto of "quality first, honest credit, createa win-win situation" established a long-term cooperate relationship.
